CHARTER

THE BAY AREA'S CHOICE FOR EFFICIENT PRIVATE TRAVEL

King Air 200

Piaggio Avanti P180

CHARTER OPTIONS

How It Works

Fly up to 12 passengers virtually anywhere in the world on a luxury private aircraft that fits your needs, tastes and budget.

When you charter a plane through Jetprops Charter, you get an aircraft operated by a trusted and known local operator in the aviation industry. You only pay for the aircraft when needed and the hourly rate includes flight crew/pilot.

All aircraft offered are operated on FAA Part 135 Air Carrier Certificates.
